- Review
- Lacked fighting spirit
 - Blunder
 - Lacked knowledge of joseki or hamete
 - Spent too much time in the opening
 - Lost mind control
 - The opponent was too strong
 - Drank too much
 - Wrong score estimation

Use red pen for white, black or blue pen for black, and figure only. (○ unnecessary)

Handicap stones are black or white ○ only. (painting unnecessary)

If ko continued, just write "the same" at the end

If failed to write a few moves, use abc etc and note it in the margin.

A few black moves at one time, then white moves will make change of pen less frequent.

If there is no red pen, circle the white move (or black move)
